

BONUS #2 · A PRINTABLE ACTIVITY DECK

50 No-Materials Needed Activities

Movement games, thinking games, and quiet-hands games you can do anywhere — no toys, no prep, no bag to pack. Perfect for the car, a waiting room, or a hard transition.

50 ACTIVITIES · ZERO MATERIALS · ANYWHERE, ANYTIME

How to Use This Bonus

1

Nothing to grab, nothing to pack — just pick a card and go.

2

Great for waiting rooms, car rides, lines, or restaurant tables.

3

Body & Movement games help release extra energy before a hard transition.

4

Word & Thinking games work well when hands need to stay still.

5

Quiet-Hands games are ideal for church, a classroom, or a quiet space.

Freeze Dance (Hum-Along)

 ZERO MATERIALS

Hum or sing a tune and dance. When the humming stops, freeze like a statue.

Animal Walk Relay

 ZERO MATERIALS

Walk across the room like different animals — a crab, a bear, a bunny, a snake.

Statue Challenge

 ZERO MATERIALS

Pick a silly pose and hold as still as a statue for 30 seconds. No wiggling!

Invisible Ball Toss

 ZERO MATERIALS

Mime tossing an invisible ball back and forth with someone, reacting to catches and misses.

Simon Says

 ZERO MATERIALS

Play Simon Says using only body movements — no props needed at all.

Balance on One Foot

 ZERO MATERIALS

See how long you can balance on one foot, then switch. Try with eyes closed for a challenge.

Jumping Jack Countdown

 ZERO MATERIALS

Count down from 10 while doing a jumping jack for each number.

Mirror Me

 ZERO MATERIALS

Face a partner and copy their movements exactly, like a mirror. Then switch who leads.

Slow-Motion Walk

 ZERO MATERIALS

Walk across the room as slowly as you possibly can,
like you're underwater.

Wall Push

 ZERO MATERIALS

Push against a wall as hard as you can for 10 seconds, then relax and notice how your arms feel.

Superhero Poses

 ZERO MATERIALS

**Strike a superhero pose and hold it for 10 seconds.
Try 3 different heroes.**

Invisible Jump Rope

 ZERO MATERIALS

Pretend to jump rope without one — swing your arms and hop along with the rhythm.

Animal Yoga Freeze

 ZERO MATERIALS

Move around like an animal, then freeze into that animal's pose when someone says 'freeze!'

Heavy Arms

 ZERO MATERIALS

Pretend your arms are made of heavy metal. Slowly lift them up, then let them drop.

Silent Hopscotch

 ZERO MATERIALS

**Hop through a pretend hopscotch pattern on the floor,
counting each square in your head.**

Body Spelling

 ZERO MATERIALS

**Use your whole body to make the shape of letters.
Spell your name one letter at a time.**

Crab Walk Race

 ZERO MATERIALS

**Walk like a crab (hands and feet on the floor, belly up)
across the room.**

I Spy (Colors)

 ZERO MATERIALS

Take turns spotting something of a certain color: 'I spy something blue.'

20 Questions

 ZERO MATERIALS

Think of an object. Others ask yes-or-no questions to guess what it is in 20 tries or less.

Alphabet Animals

 ZERO MATERIALS

Go through the alphabet naming an animal for each letter, A to Z.

Would You Rather

 ZERO MATERIALS

Take turns asking silly 'would you rather' questions and explaining your answer.

Rhyme Time

 ZERO MATERIALS

Say a word. Take turns finding as many rhyming words as you can before running out.

Category Countdown

 ZERO MATERIALS

Pick a category (fruits, animals, colors). Name 5 things in it before counting to 10.

Story Chain

 ZERO MATERIALS

Build a story together one word at a time, going around in a circle.

Guess the Sound

 ZERO MATERIALS

Make a sound with your mouth (animal, vehicle, weather) and have others guess it.

Opposite Game

 ZERO MATERIALS

Say a word, the next person says its opposite, back and forth as fast as you can.

Silly Sentence Builder

 ZERO MATERIALS

Each person adds one word to build the silliest sentence possible.

Memory Chain

 ZERO MATERIALS

**'I packed my bag and in it I put...' — each round,
repeat the list and add one more item.**

Would You Rather (Silly Edition)

 ZERO MATERIALS

Ask only the goofiest, most ridiculous 'would you rather' questions you can think of.

Count By Twos

 ZERO MATERIALS

Take turns counting up by twos (or fives) as far as you can go without a mistake.

Name That Animal

 ZERO MATERIALS

Describe an animal without saying its name — others guess which one it is.

Spot the Color

 ZERO MATERIALS

Look around and find something of a chosen color within 10 seconds.

Riddle Time

 ZERO MATERIALS

Take turns asking each other simple riddles and guessing the answers.

Finish My Sentence

 ZERO MATERIALS

One person starts a sentence, the other has to finish it in a surprising way.

Finger Tapping Pattern

 ZERO MATERIALS

Tap out a simple rhythm on your leg or the table, then have someone copy it back.

Thumb Wrestling

 ZERO MATERIALS

**Lock hands with a partner and try to pin their thumb
— classic and quiet.**

Hand Squeeze Countdown

 ZERO MATERIALS

Squeeze your hands together tightly, count to 5, then release and shake them out.

Finger Trace

 ZERO MATERIALS

Use one finger to trace shapes or letters gently on the palm of your other hand.

Silent Clap Patterns

 ZERO MATERIALS

Clap out a simple rhythm and have a partner copy it back without talking.

Rock Paper Scissors Tournament

 ZERO MATERIALS

Play best-of-5 rock paper scissors and keep score.

Finger Puppets (No Props)

 ZERO MATERIALS

Use just your fingers and thumb to make a 'talking' puppet mouth and give it a voice.

Hand Shadow Shapes

 ZERO MATERIALS

Use a lamp or flashlight to make shadow animals on the wall with just your hands.

Pretend Piano

 ZERO MATERIALS

**'Play' an imaginary piano on your lap or the table,
humming the tune as you go.**

Slow Finger Countdown

 ZERO MATERIALS

Starting with all 10 fingers up, fold one down at a time as slowly as you can.

Praying Hands Press

 ZERO MATERIALS

Press your palms firmly together in front of your chest and hold for 10 seconds.

Finger Twist

 ZERO MATERIALS

Touch each fingertip to your thumb one at a time, as fast (or as slow) as you can.

Air Writing

 ZERO MATERIALS

Write your name in the air with your finger, nice and big, then try it tiny.

Hand Massage

 ZERO MATERIALS

Gently squeeze and rub your own hands and fingers, one at a time, like giving yourself a massage.

Invisible String

 ZERO MATERIALS

**Pretend to wind an invisible string around each finger,
one at a time, then wind it back off.**

Knuckle Press Count

 ZERO MATERIALS

**Gently press and release each knuckle, one at a time,
counting as you go.**

YOU DID IT!

Great Job, Anywhere!

No toys, no prep, no problem — you found a way to move, think, and stay calm using nothing but what you already had.
